## OUR MISSION

To strengthen the San Geronio Pass of Southern California by ensuring the men, women and children of our communities do not go hungry-regardless of their age, religion, cultural background, employment or economic status, and physical and mental abilities.

## A MESSAGE FROM OUR PRESIDENT

At this point in time we are now entering our seventh month of COVID-19 restrictions in our kitchens. Like all of us, Carol's Kitchen is operating under the official health guidelines and doing our best to continue feeding an increasing number of the less fortunate. Continuing as it has been in the past few months, due to the caring and generous support within the community, we have been handing out sack lunches and extra bags of groceries at all our kitchens. We thank all the individuals, groups and organizations shown on the adjoining pages for their assistance. And, we are fortunate enough to have applied for and been awarded several special COVID-19 related grants that have adequately covered the loss of revenue from all our cancelled fundraising events. We are looking forward to once again reopening our kitchens for sit down hot meals in the very near future and remain committed and thankful as we anticipate several exciting opportunities to serve even more of those in need within our community.

## A MESSAGE FROM OUR EXECUTIVE DIRECTOR

The recent crisis surrounding the spread of COVID-19 is affecting our most vulnerable neighbors. Across the Pass, the demands for food relief are increasing. Closed businesses result in employees being put on unpaid leave, causing additional hardship for food-insecure families. Measures intending to reduce transmission, such as quarantines and asking vulnerable populations to stay home, are forcing seniors and immunocompromised people to rely on expensive and limited grocery delivery services.

Amid this crisis, Carol's Kitchen is committed to serving the hungry and the needy. We will remain open and continue to supply sack lunches, grocery bags, and hopefully soon, hot meals. Our staff and volunteers will continue to practice good hygiene, and frequent hand washing to lower the risk of spreading the virus.

Thank you for your support in these challenging times.

- Lance Sanchez

# WHATS HAPPENING IN THE KITCHEN

## BANNING

The Tuesday and Friday Banning kitchens are busy making 120+ sack lunches and bags of food at each kitchen each week.

Additionally, they are preparing 80 sack lunches for Immanuel Christian church to distribute to the homeless and 40 sack lunches for Ramsey Street Village. At this time, the Banning kitchen has also provided free haircuts to 25 of our guests thanks to Mike Grovea and Stacy Strenger. There was also coordination with Home Base to provide incentives to the homeless at all our kitchens to participate in the 2020 census

## BEAUMONT

On Monday and Thursday, the kitchen is functioning at two levels. A team of 12 to 15 volunteers are assembling 70 sack lunches to give to our regular guests. Then they are putting together another 70+ hot meals to have a representative pick up and deliver to the home bound residents at Sun Lakes, Beaumont Terrace and Liberty Village. Great teamwork gets it done so hats off to each and everyone in the kitchen.

## CABAZON

During the pandemic shut down both our Monday and Thursday Cabazon kitchens are preparing 80 sack lunches for distribution to our guests along with 80 bags of groceries. For both kitchens we utilize only about ½ of our regular volunteers to prepare and distribute lunches and groceries. At the Thursday kitchen Immanuel Christian church comes and picks up 40 additional sack lunches to bring to the homeless in Cabazon.
