OUR MISSION

To strengthen the San Geronimo Pass of Southern California by ensuring the men, women and children of our communities do not go hungry-regardless of their age, religion, cultural background, employment or economic status, and physical and mental abilities.

A MESSAGE FROM OUR PRESIDENT COVID-19 - EASING THE PANDEMIC

As the world emerges from the COVID restrictions, Carol's Kitchen is likewise trying to get back to "normal". Our kitchens are reopening for dine in sit-down hot meals and our Board of Directors is actively pursuing opportunities to get back into the communities and reacquaint as many people as we can with our mission to feed the hungry.

As we move forward, we are planning another Comedy Night Fundraiser (see front cover for details) and are becoming more involved again with our partnerships, Chambers of Commerce, community events and social media. All of us at Carol's Kitchen are thrilled about the future as we look to expand our feeding program into new communities and reconnect with our donors, sponsors, and all of you who have been so generous in your past giving. We have said it before, and we will say it again – "Your gift does make a difference".

To all of those who have stayed with us and helped support our efforts through these difficult times, the Board of Directors, staff, volunteers, and our guests want to offer you a great deal of THANKS!

- Vince Conway
President

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Before the pandemic, the overall food insecurity rate had reached its lowest point since it began to be measured in the 1990s, but the pandemic was upending those improvements.

Throughout these unprecedented times, Carol's Kitchen remained open to serve our guests' needs and their families. Our dedicated volunteers are selfless and devoted, and we are honored to have them on our team. Thank you for the energy you have given to Carol's Kitchen and the priceless impact on so many lives.

Now that restrictions are being lifted; we are pleased to announce that our kitchens are now open for dine-in service and free groceries! We welcome you to bring the entire family and enjoy a hot meal.
