

# BRING BACK TRADITIONS

**Holiday greetings to all our wonderful Carol's Kitchen supporters.**

The year 2021 is quickly coming to an end – the Holidays are approaching and this year we can look forward to bringing back many of those holiday traditions that just couldn't happen last year. Our kitchens are gearing up to serve traditional holiday hot dine in meals with all the fun, enjoyable activities, and community involvement we've experienced in the past.

Last year was a challenging one for Carol's Kitchen as it was for everyone including our guests. Here are just a couple of notes that our guests wrote to us during this time. **"My name**

**is Jim and I want to thank you from the bottom of my heart. Your generosity and charity are awesome. Thank you, thank you and thank you. What you are doing has made my life so much better".** And Sara writes **"Thank you so much for volunteering your time and efforts for lunches twice a week. As a single person with bipolar and chronic pain, these meals are sometimes the only full meals I get each week. I greatly appreciate your kindness".**

This is the reason why we do what we do and how your support is so important to helping us do it. For James, Sara, and the 100's of other guests who visit our kitchens each day and every week your contributions are having a definite and noticeable impact on the lives of the less fortunate in our communities.

**Here is how you can continue to help**

Your gift to Carol's Kitchen of \$100, \$50, \$20, \$10 or whatever you can afford will ensure more people share in the bounty of a traditional family holiday table.

On behalf of our guests, volunteers, staff, and Board of Directors we say:

**Thank You.**

**Have a Happy Thanksgiving and  
Joyful Traditional Holiday!**

**Your gift truly does make a difference!!**
